

# You Can't Even Imagine (Parody of "I Can Only Imagine" by MercyMe)

Can't even imagine  
What it will be like  
When you wake  
In agony  
Can't even imagine  
Just how shocked you'll be  
When in glory  
God says depart from me  
Can't even imagine  
Yeah

You can't even imagine (yea-ah-ah)  
You can't even imagine  
You can't even imagine  
You can't even imagine  
  
Can't even imagine  
When all that you'll do  
Is forever  
Forever have worms eating you  
You can't even imagine

[Chorus]

Surrounded by hot flames, such pain you will feel  
You will still reject your Savior, while you gnash  
your teeth and wail  
With your "friends" in your presence only curses  
they call  
Cause you failed in your duty, no truth to speak at  
all  
You can't even imagine  
You can't even imagine

Can't even imagine  
When that day comes  
And you find yourself  
Cut off from the Son  
Can't even imagine  
When all that you'll do  
Is forever  
Forever have worms eating you  
Can't even imagine  
Can't even imagine
