

GOD WILL ROCK YOU!  
(Parody of "We Will Rock You" by Queen)

Buddy you're a boy getting raised wrong  
Mangling the Word gonna be a fag star some day  
You got dung on your face, you big disgrace,  
Proud of your sin, God'll lay you to waste

God will God will rock you  
God will God will rock you

Soldier you're a dark heart, hard heart  
Shouting in the street, gonna murder some kids today  
You got blood on your face, you big disgrace  
Waving bloody flags all over the place

God will God will rock you  
God will God will rock you

Preacher you're a mad man, dead man  
Feeding them the lie, have ya some feasts Sunday  
You got dung your face, you big disgrace  
Your God is gonna judge you with the whole human race!

God will God will rock you  
God will God will rock you
